

West Texas Chianina Breeders Join Hands In Marketing Effort

Arizona, Joe R. Couch, long-time registered Angus breeder whose ranch is 12 miles southwest of here on Ranch Road 2083, is one of several West Texas Chianina breeders who are beginning a cooperative effort to more effectively market their Chianina cattle.

Other breeders in this effort are Charles J. Burk of Panhandle, Ray Delusha of Abilene, Carroll Doshier of Amarillo, C. O. Richards of Bronte, Horace Gilmore of Levelland, Larry and Oscar Golden of Aiken, A. E. Richmond of Lingo and Douglas Walden of Littlefield. Other Chianina breeders in

Probably there isn't been any greater battle than the attacks on meat and this has been the center of various studies by various worldwide authorities of all kinds of subjects. It seems like when the combatants want to hire an expert they operate along the same lines as a criminal who wants to avoid payment for his crime by claiming he or she was mostly incompetent or a victim of society one way or another. You see the psychiatrist available and you pick out one that will give the right answer according to your needs.

No sooner had the polyunsaturated fat producers dug up their experts to outlaw saturated fats in meat, than the meat people produced equally brilliant scientists who could positively prove beyond a shadow of doubt that the polyunsaturated fats was just padding a new kind of snake oil. As a matter of fact only recently the Meat Board came up with a Dr. Joseph Vitale, nutrition pathologist at Boston University School of Medicine, who stated that cancer patients appeared to lose natural defenses to the disease when placed on diets in which polyunsaturated fat comprised 20% of the daily intake of calories. He also reported that patients who were switched to saturated fats and only 8% or 9% polyunsaturated, regained their previous state of immune competency.

You can come up with shoals of experts that will prove meat will kill you, denounce a door nail, and an equal number of experts that will tell you they have never seen proof of that kind of stuff.

We have the Governor spending millions of dollars trying to make school kids eat what they think is good for them, like vegetables, etc., and any jackass out to know that by the time a kid gets school age his eating habits are pretty well established and trying to change them is a lost cause. You can take snakes, fast foods, etc., away while they are incarcerated in the school house, but the mischief school is out, so is the stuph th' kids don't like.

It doesn't seem about time that the matter of diet was kicked outta the political arena, and let the scientists, doctors, and food industry returned to the sidelines where they will no longer waste our taxes trying to convince you and me they should have the almighty right to take the food we like out of our mouths. The diet goals of Congress and the bureaucrats are about as far off the mark as most of the change they try to manage, so why not let us dig our graves with our teeth if we want to? Don't the Constituents assure us the right of pursuit of happiness?

Ever thine,

The Editor.

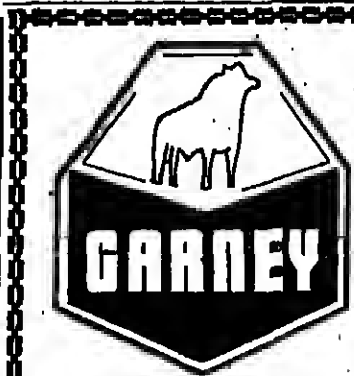

P.S. Uncle Duak announced a new policy. When anybody wants to talk politics he's gonna make 'em show proof they voted first. Them that didn't vote out to get down and shut up. Duak says, Duak says the favorable reaction to President Carter's financial maneuvers last week, again to give him the credit he finally made a move, other than just talkin'. Even if he does something wrong, folks finger, thank th' Lord he finally did SOMETHING! Duak claims that there has never been a better example of the inmates running the asylum than African countries that have been liberated and left to establish democratic or socialist governments on their own. Th' ones Dark Continent is a flame afloat and to end and poverty and misery seems to be on the increase on th' Natives go after each other, fangs and claws. — Thersall, Brothers

World Show Quarter Horse Sale Nov. 17-19

Some 600 American Quarter Horses go under the gavel November 17, 18 and 19 during the World Championship Quarter Horse Show Sale at the State Fairgrounds in Oklahoma City. The consignment sale is being held in conjunction with the 1978 World Championship Quarter Horse Show, November 18-19 at the Fairgrounds. The show has attracted 1,128 entries from 44 states and Canada. This entry will be competing for a record \$160,000 in prize money, \$50,000 of which comes from the show's sponsors: COPENHAGEN and SKOAL moist smokeless tobaccos.

Sale managers Carol and Jane Whitman of Outfront Sales Company, Carthage, Mo., report a tremendous amount of interest. This will be the second year for the sale and Whitman expects it to average 15-20 per cent above last year's \$1,000 per head average. All in all, Quarter Horse fanatics are expected to part with \$1.5 million for the quality consignment. The sale gets underway at 10:00 a.m. each day. Admission is free.

The pedigree of the horses for sale looks like the who's who of the Quarter Horse industry. Whitman said, "Among the consignments are some and daughters of former South Texas Assn. Beefmaster Sire Set For Dec. 2."

Three Rivers, Texas—The South Texas Beefmaster Bull Sale will be held Saturday, December 2, 1978. A country breakfast will be served at 8:00 a.m. with the sale following at 10:00 a.m. The sale will be held at the Live Oak County Fairgrounds between Georgia West and Three Rivers.

Selling will be 100 Beefmaster bulls ready for heavy service from some of the leading herds of members of the South Texas Beefmaster Breeders Association. For information contact the sale managers and auctioneers: Bert and Ruben Reyes, 118 West N. 10th, P. O. Box 32828, San Antonio, Texas 78218, 512/349-2185.

Pybas Simmental Bull Sale Dec. 2 Near Gainesville

Gainesville, Texas — J. E. and Barbara Pybas, owners of Pybas Ranch, will hold their 5th annual bull sale at the ranch located 18 miles northwest of Gainesville on Farm Road 1201 (Sivells Bend Road) at 1 p.m., Saturday, Dec. 2.

They will be selling 80 service-age yearling and two-year-old bulls that are halfbloods, three-quarters and seven-eighths Simmental from Pybas Hereford base. They are sired by top Simmental sires such as Apollo, Galant and Extra.

J. E. Pybas has been in the cattle business since 1948 with one of the top commercial Hereford herds, and was one of the first Simmental breeders in Texas, having been breeding Simmental nine years, and one hundred percent by artificial insemination for the past seven years.

"We have found that these bulls will add weaning weight, and we guarantee that they will put 50 pounds more weaning weight on calves than Brittle bulls will," Pybas said.

"Simmental cross cows are the best commercial cows I have ever seen, and I don't know how you can beat them," he added.

Jack Dillard, Waskom, will be auctioneer for the sale. Lunch will be available.

BRANGUS SIRE BLACK BALDIES

The
Feeder's
Choice

Brangus sired Black Baldies are in strong demand by feeders and bring top dollar for you!

Black Baldies are an ideal feeder animal. Ask any commercial cowman about the great calves with "a little ear". Medium-sized at birth, they make calving easy for any type of cow. They gain quickly on feed or forage, and average 75 to 100 pounds heavier at weaning than English breeds.

Brangus feeders mean fewer problems for the operator because they are adaptable to climatic extremes and are pest and disease resistant. But most important, Brangus feeders are consistently PROFITABLE. They lay down internal fat early and finish early with enough marbling to grade choice. Brangus calves are preferred — by stockers, feeders, packers, and consumers. If you want PROFIT, you need BRANGUS!

For information about scheduled events, upcoming sales, and sale catalogs, call collect: Lauren Mayhew, Secretary, Texas Brangus Breeders Association, P.O. Box 570, Sealy, Texas 77474. Tel. (713) 885-3364.

Our Girl Friday . . .

By ANN SYLER

The single most descriptive word for this fall of 1978 is "UP". All of our Brangus sales are that, and in capital letters as indicated. As I write this (Monday the 13th) we are leaving San Angelo and the Cawley Ranch Bull Sale where we sold 66 bulls for an average of \$1417. This is exactly \$725.00 per head over last year. The sale is an annual event of several years standing with Ray Moody and Clayton Williams always participating as guest co-sponsors. Only one bull in the whole offering was a 2 year old (everything else younger) and the top price was \$2800.00, so you can see that the sale held steady for its entirety with an extreme highs or lows.

On November 4th we were in Conway, Arkansas for the annual sale of the Arkansas Brangus Breeders Association. Their sale average told the

same story: overall average on 86 lots was \$1898.00 (up by \$707.00 per head over last year), female average up by \$688.00 and bulls up by \$948.00. A complete report is printed in this issue.

October 28th was the second Cawley Ranch Bull Sale at Hominy, Oklahoma, held jointly by J. P. Stephenson Ranch of Ardmore, Brady Ranch, Ardmore, Diamond N Cattle Co., Welch, Oklahoma & Blue Ridge, Texas, and Regal Land & Cattle Co., Dadeville, MO. We sold 89 bulls both years, 1978 average \$1382.00; 1977 average \$977.00. High selling bull of this sale was \$2,000, again reflecting how steady the price was all the way through.

I saw one of the most clever and imaginative nights recently on the road between Mineola and Sulphur Springs, Texas. Their sale average told the

you to get the picture. Usually as we drive I have my head down (as you) doing book work of some kind, but this particular day I was doing the driving. Here was an oil well pump, on top of it, about in the center, sat a very large wooden cowboy in full regalia and painted very brightly in his head was a rope, which extended to the front of the pump, making the reins. Now if you will concentrate and recall how a pump is shaped, at one end of it a place extends down, rather like the shape of a horse's head (at least, that's what this clever person who constructed this saw it). Well, there were eyes, ears and a mouth painted here, with the rope, reins connected to a bit, so when this well is pumping in its ceaseless movement this cowboy is entertaining all passers-by riding a bucking bronc! It's worth a drive down this road if you're ever in there.

And I'd like to be one of the first to announce the Billy Harrys are grandparents of twin girls!

Hope to see lots of you in Kansas City this weekend for the National Show of Merit, the large National Junior Show and, of course, the annual Heart of America Association "Black Diamond" sale.

And don't forget the 19th Annual Texas Association Sealy Range Bull Sale on Saturday, Dec. 2nd, Sealy, Texas. Incidentally, to some of you who were pondering whether to go to the A.M. Texas game that day or to the Sealy Sale, Matt says it really took some talk and convincing on his part, but the TV networks and schools involved finally saw the wisdom of his arguments and this game will be played Friday night instead, and will be televised!

In some random reading this month I came across some people's opinions of

Cawley Brangus Bulls Avg. \$1,417

San Angelo — The Cawley Ranch Brangus bull sale Nov. 18 grossed \$95,875 on 66 head to average \$1,417. The cattle sold to Texas and New Mexico buyers. The sale was managed by Syler Sales Management, Inc.

Stella Keane of Sonora, with a bid of \$2,800, took home the high selling bull of the Third Annual Cawley Ranch Brangus Bull Sale at Producers Livestock Auction.

The youngster, Cawley's Concho 8/7, was calved March 1, 1977, and had a 295-day weaning weight of 688 pounds. He is by Brink's Concho 938/2 and out of Miss Rocky Lady 3/1. The bull had a 140-day test gain per day of 4.0 and at difference between male & female & one opinion was that the difference exist only in a vocabulary. You never hear a woman called a "female chauvinist"!

It's time to start making plans to attend the Tops of Texas, 22nd anniversary sale and convention in San Antonio. The Hill Country Sales Committee sponsoring the Tops of Texas sale this year will select only top females and a very few select bulls. The sale will be open to all Texas members. The sale is set for February 10, 1979.

Deadlines for nominations will be November 25, 1978. Contact P and F Cattle Company, 713/865-3618. During the week end will start off with committee meetings at the new LaManon Del Norte Hotel on Friday morning, February 9 at 8:00 a.m., and follow the same format as in past years. Check your November and January Brangus Bulletin for details.

Coming events include: Dec. 2 — The Annual THRA Sealy Range Bull Sale, Sealy, Texas; Dec. 9 — Hill Country Bull Sale and 1,000 Commercial Females, San Angelo, Texas; Dec. 10 — J. R. and R. A. Canning Production Sale at San Angelo.

Texas operators spend \$3.1 billion drilling in 1977; \$884 million lost in dry holes.

NEWS about LIMOUSIN

Deux Amis Limousin, widely known for its superior cattle and its progressive breeding and merchandising programs, are proud to announce another sale in the Limousin business — the Deux Amis Futurity.

Deux Amis To Add \$15,000 To Futurity Money

The Futurity will be a halter show held annually. In order to be eligible for the Futurity all nominees must have been purchased from the Deux Amis Futurity sale. The owners of the calves at show time do not have to be the original purchaser.

Monetary prizes and trophies will be awarded to winners of three heifer classes and three bull classes, as well as the Grand and Reserve Champion Bull and Female. In addition, all premium winners may sell in the Deux Amis sale the following day, commission-free.

Cattle eligible for the Futurity are to be nominated by the purchaser at the time of purchase and each animal will ultimately have \$250 in entry fees. All entry fee money will go toward prize money, as well as \$15,000 to be added by Deux Amis.

The First Futurity Sale will be held on November 18, 1978, at the Hays County Civic Center, San Marcos, Texas, and will be offering seventy-eight fullblood calves ranging from four to eight months of age.

The First Deux Amis Futurity and the Second Annual Futurity Sale will be held in February of 1980.

At last count there were about 86,000 pizza parlors in the United States.

Oklahoma City — Fred and Jonell Spitz & Sons will host Spitz Limousin Farms fullblood Limousin sale Saturday, Dec. 2, beginning at 1 p.m. in the North Beef Barn at the State Fairgrounds in Oklahoma City.

Selling will be 10 fullblood bulls, 11 purebred cows, nine of which have calves at side.
For further information contact Spitz Limousin Farms, Fred and Jonell Spitz & Sons, 1424 SW 71st, Oklahoma City, Oklahoma 73159, phone 405/886-8384; or Duane Steuwer & Terry Fry at the ranch, 405/784-1739; or American Cattle Services, Inc., Route 2, Chattanooga, Okla. 75628, phone 405/385-0008.

downward once again.
Feeder futures prices on the mercantile offered some support in the current month with a slight price gain from late last week but all other months suffered rather substantial losses. All months of slaughter steer futures were lower.

This week's report is somewhat abbreviated, particularly in numbers, since several late week sales are not included due to the Veterans' Day holiday which necessitated the release of this information a day early.

NALF Convention, Futurity Set For 1980 Houston Show

The annual membership meeting of the North American Limousin Futurity and National Limousin Futurity will be held at Houston during the 1980 Houston Livestock Show & Rodeo.

Gregg Martio, Floyd McGowan, Hayner Mitchell, Ken Holloway, Carl Detwiler Jr. and Willard Pfleger recently met with officials of the Houston Stock Show and made plans for the futurity and national meeting.

Pfleger said this could be one of the largest gatherings of Limousin breeders that Texas will see for some time.

SANTA GERTRUDIS NEWS

The Santa Circuit

By BUDDY SMITH

Youth and Santa Gertrudis! A great combination, and a big plus factor for the breed. Santos are so popular with the 4H and FFA kids that they have been featured on the front cover of the Santa Gertrudis Journal, three out of the last twelve issues. The most recent issue featured the grand champion heifer at the Dallas State Fair, Brett Burton, Colleyville 4H Club, won this honor with his Strife Farms bred heifer. Reserve grand champion heifer was Steffen Marchman's 'Jomer's Molly'. Santos have become so popular with the youth

that most major shows have entries numbering well over a hundred head. Cynthia Gertrudis, Louisa, Texas, was a recent Santa Gertrudis Journal cover girl with her grand champion female at the National Santa Gertrudis Junior show in Waco. Cynthia's heifer was also grand champion at several local shows. The champions aren't the whole story. More importantly are the many other youth, their parents, teachers, and 4H leaders, that gain practical experience in the selection, fitting, and showing of their project. Many youth have become so popular with the youth

start herds of their own with these animals, while others make their way to the top of the ladder. Rocky Brahears, Henry-Rosser FFA Chapter, had the second high selling female of the recent Premier Prastiga sale at Dallas. The heifer was purchased by Shelton Roesches, Kerrville. It wouldn't surprise me if she costumed her winning ways with the Shalton Roesches show etrog. Another recent top selling 4H project was Dora Lee Cuddy's bull that sold in the Mid-America S. G. Sale at Poplar Bluff, Mo., to Mel Caldwell's Crooked Nail Ranch, Gerald, Mo., for \$5,700.00. Dora is from Grain Valley, Mo.

Selling heifers as club projects is an excellent means of getting your cattle before the public. If you have some show quality heifers and don't show yourself, contact your local County Agent and ask teachers. Chances are they have a boy or girl in mind that can help you promote your cattle. Just be sure you put the "right kind" out and at a price the kids can live with. It will be the best investment you can make in your herd.

Recently S.G.B.I. sent out a questionnaire to everyone that participated in the last two National Junior Heifer Shows. It was also published in the Santa Gertrudis Journal. If you have not already filled it out, please do so. They need your thoughts on how to improve them shows. Questions pertain to local, time of year and extra-curricular activities. Your opinion regarding a three man judging system is also solicited. The last two national shows have used this system with varying responses. I, for one, am not in favor of it. It is my observation that you get a lot of complaining and too much deviation in type. I favor selecting a qualified judge and letting him (or her) call the shots.

Kevin Chiles of Cotulla, Tx., was the recipient of the Robert R. Shelton Endowed Santa Gertrudis Scholarship at Texas A & M. The scholarship provides a minimum annual fund of \$1,200 to a student enrolled in the College of Agriculture at Texas A & M. Kevin was selected because of academic achievements, need, and Santa Gertrudis related activities.

bred originated with Joe Marchman's enrollment of two females at Rin Vista Farms, for embryo transplants. These cows will be joined by two other Marchman ranch females when their fertility cycle becomes conducive. So far as I know, these two cows are the first Santa Gertrudis cows to be donor cows for a transplant. When you consider the fact that most cows will only give you ten calves in a lifetime, if you're lucky! this becomes an excellent way to stretch production of your top cows. Realistic figures are ten to twenty calves per year out of one cow. Talk about making genetic improvement is a hurry! One of the cows Joe enrolled is a double bred "Tomado" female who has consistently produced show champions. The other cow, weighing over 1800 lbs. at three years of age, came from Doyle May's show herd. Plans are to inseminate them with Jomer 597/4 semen and transplant the ova into recipient cows.

Another cow that is being considered for use in this program is the Robert

Rabinske cow that produced the twelve times grand champion cow, "Rabinske's Starlet 503".

El Collins Ranch is also planning to enroll cows in the program. That would be a sight to see - twenty animals, within four months of each other in ogo, all eligible for the produce of dam and get of sire award.

See you down the road...

Texas Polled Hereford NEWS

By NORMAN CABANISS
TPHA Secretary-Manager

As Thanksgiving Day approaches, we in the Polled Hereford business can count many things for which to give thanks.

Among those is the way Polled Herefords have been selling this fall as shown by recent sale averages: Fred and Bertha Alford's Flying A Ranch State Fair Spectacular Oct. 7 with a \$1,225 average with the top individual at \$3,600; Bill Miller, owner, and Robbie Graves, manager, of the Chisholm Trail Ranch at Rhame, to their Oct. 24 sale which averaged \$908 on 91 lots with a top of \$2,000 attesting to the uniform quality of their offering; Bill and Pat Yowell's Rocking Y at Killean that scored a barn-burner with 95 lots averaging \$956 and a top of \$2,100 again reflecting overall quality of the offering; and Central Texas Polled Hereford Association's average of \$887 on 36 lots which was the top average ever for this sale at Clifton, \$41 higher than the old record of \$846 set in 1962. Thanks, too, for the many new breeders getting into the Polled Hereford business who helped to set these good averages.

Equally hearty thanks can be given for the tremendous job jobbers are doing in the Polled Hereford ranks, such as Mike Smith, 18, son of Mrs. and Mrs. Dan Smith of Centon, who won the Texas Polled Hereford trophy at the Van Zandt County Fair with a heifer from the herd he's starting, winning over 16 other entries in the Polled show; J. L. Beasley, III, of Hewley, who showed the grand champion heifer in the Texas State Fair and Ace Lynn Ellis of Cleburne for exhibiting the reserve champ; and the six TPHA members who walked off with six of the eight heifer-class winners and had the chem-

Yowell Polled Hereford Bulls Average \$931

Killean, Texas — William H. "Bill" Yowell and D. P. Yowell hosted the highly successful Yowell Ranch Polled Hereford Fall Bull Sale here Oct. 30 with 56 bulls grossing \$52,165 for an average of \$931 and 10 heifers \$6,940 to average \$694. Bort Reyes, San Antonio, was auctioneer.

Honeycomb Farm at Old Dime Box, Texas, paid the sale's top price of \$2,100 for a Nov. 15, 1978 son of RWJ Victor JB 1109.

L&W Steubling of San Antonio bought a Nov. 15, 1978 son of Bearlooth Benchmark for \$1,650; and Henry Rombel of New Braunfels paid \$1,325 for an Oct. 22, 1978 son of KCH CHO Victor 281. JD Ranch, Irving, bought another Oct. 14, 1978 son of Bearlooth Benchmark for \$1,600.

Topping the heifers was a Nov. 2, 1978 daughter of RWJ Victor JB for \$1,200 to Dr. Mitchell Wong of Austin. Volume buyers included L&W Steubling and Yeldine Farms of Sabinal.

CTPHA Sale Has \$889 Average

Clifton, Texas — Chris Vance Kirkpatrick of Meridian, a longtime member and the only woman to ever serve as president of the Central Texas Polled Hereford Assn., was honored at the 27th annual association sale here Oct. 29 which averaged \$889 on 89 lots of Polled Herefords for a gross sale of \$84,880. Eddie Sims of Lawton, Okla., was auctioneer.

The 28 bulls in the sale grossed \$27,855 to average \$976 and 11 females \$7,645 to average \$695.

Jay Namer's Lazy J Polled Hereford herd at Waco was dispersed after the Central Texas sale. Several of the top Namer cattle went to G. B. Coleman Ranch at Nevada, and Dr. and Mrs. Dan H. Byram's Bean Creek Ranch at Decatur.

George Trenfield Named to Polled Hereford Hall of Fame

Winlice Fields of Shmrock was elected president of West Texas Polled Hereford Assn. in a meeting at the West Texas Fair and Polled Hereford Show to Abilene recently.

Serve with Fields as vice president is Jim Gill, Coleman, and Jeano Abbey, Coleman, secretary-treasurer.

New board members elected were: Larry Flowers, Mulckshoo; Frankie Sorrell, Haakoli; Joe Dan Weeden, Brownwood; Faye Smith, Lorraine; and Chrille Abbey, Coleman.

Fields has initiated an up-grading program for WTPHA with plans being made for area meetings to be set up by area districts to cover membership and sales promotion; better cooperation with the West Texas Fair Assn.; better West Texas Fair or Show-and-Tell Day; and promotion of a WTPHA production assignment rule tentatively set for March 17, 1979, at the Bosley Ranch sole barn at Hawley.

Someone said Congress is considering a new law to legalize graft.

Polled Hereford Show At E. T. State Fair

Several of the top herds in the state turned out at the East Texas State Fair, Sept. 28, for evaluation by Judge Rendal Grooms. Grand Champion bull of the show was RYB Roundup Vic 858J from the winter bull calf class in his first outing. He is owned by Yowell's Rocking Y Ranch of Killeen, Texas and exhibited by Glen Allen of Hillsboro, Texas.

The reserve champion bull came from the early two year old class. He is OR Victor N81 4348 shown by Flying A Ranch of Reser, Texas. In a tough heifer show, G. Tufta and Son of Hillsboro came away with the champion heifer on T & S Victor T807. Again the reserve champion spot went to the Rosser, Texas Flying A Ranch on KK RENOTRIX 103J and to fra and Tina Lee of Waco, Texas.

Southwest Farm Show Tractor Pull Set March 9-11

Fort Worth — Dates for the 1979 Southwest Farm Show & Championship Tractor Pull have been set for March 9, 10 and 11 in the Tarrant County Convention Center, according to R. B. Allen, Executive Vice President, Southwest Hardware and Implement Association, sponsor.

Tractor pulls have been increased to include March 8, 9, 10 and 11, with 4-wheel drive vehicles pulling on the first two nights in addition to tractors. "We have added a new exciting 4-wheel drive pull for the first two nights plus regular classes of tractors. On Saturday and Sunday nights only tractors will be featured," Allen said.

The Southwest Farm Show, which is free to everyone, will feature every kind of farm and ranch equipment and supplies. Thousands of dollars in door prizes will be given away. The show will swing open its doors each day at 10:00 a.m.

A. Natural Shows, Fashion Review will be held on Saturday with home-makers from three states competing for generous prizes from J. C. Penney and the farm equipment dealers association.

Future Farmers of America will also have a booth in the show. FFA Tractor Mechanics Contest. Hundreds of dollars of prizes will be awarded to the youth participants.

Jack Lindberg, FFA State American Alpha, will be the special American speaker at the New World of Agriculture Forum opening on Saturday, March 8. Tickets may be purchased from farm equipment dealers or your local county Extension Agent.

Reserve seat tickets to all of the tractor pulls and 4-wheel drive pulls went on sale November 1. They may be ordered by writing Southwest Championship Tractor Pull, P. O. Box 998, Fort Worth, Texas 76101 or by calling 817/338-5777.

Peters' Cache Creek Polled Hereford Sale

Faxon, Okla. — F. O. Peters' Cache Creek Polled Hereford's "Golden Opportunity" sale here Nov. 8 grossed \$28,245 on 49 lots for a \$578 average. Eddie Sims was auctioneer for the sale managed by National Cattle Services of Lawton.

Ten bulls grossed \$4,995 for a \$500 average and 39 females \$28,250 for a \$586 average.

Peters' second annual production sale consisted mostly of young pairs and heifers right off the pasture, and buyers from Texas and Oklahoma readily snatched up the quality offering, according to A. J. Smith of Loos Wolf.

DRINKING TANK PROBLEMS SOLVED
As well as all reservoirs and spray
tank. Lifetime Tank Coatings for
steel plate tanks, corrugated gal-
vanized iron tanks, and rock and
concrete tanks. Thousands of
these tanks of assorted sizes have
been restored to be better than a
new tank, not coated. Over 3 mil-
lion pounds now in service since
1958. Stop all leaks, any size hole
crack. Prevent rust forever. A tank
properly coated will not be re-
placed in a lifetime. Anyone can ap-
ply by brush. Not a paint, the only
material known that prevents
seepage in basement walls. Tackle
the hardness of concrete. Write us
for our catalog. All orders ship-
ped same day received. This is
our 28th year.

"THIS IS NO BULL"
Viriden Perma-Bilt Engineering depart-
ment is now offering 1 7/8" x 30"
windmill cylinder barrels, with caps,
at 1/4 the price they are selling for
now! These barrels and caps are made
from thick, heavy wall PVC and then
lined with 1/8" of our steel hard epoxy.
These barrels are as good as any brass
barrel on the market! The steel hard
epoxy lining assures long life and true-
check strokes. Our 1 7/8" x 30" Barrel
sells for \$18.95! It connects right to
your 2" pipe (steel or PVC). These
epoxy lined barrels are doing a won-
derful job right now. Send for infor-

Black Maine-Anjou Assn. Is Formed

Standing left to right are Dr. Jack Richay, Association Consultant and Cattle Breeding Specialist; Stanton Brown, President of the A.B.M.A.; and Ray Strickland, Executive Secretary.

Dallas, TX — The increasing popularity of the three-eighths Maine-Anjou feeder calf in the United States has prompted the formation of the American Black Maine-Anjou Association (ABMAA) in Dallas, Texas, according to Stanton Brown, President of the newly formed organization. Rules and by-laws of the Association have been written to aid not only the purchaser of Black Maine-Anjou cattle, but the commercial breeder as well, a situation that is uncommon to most breed associations.

Principal offices of the ABMAA will be housed at 4228 North Central Expressway, Dallas, Texas 75206.

The Association will keep a full and complete set of herd books of the breed, sex, date of birth, owner, sire and dam of every Black Maine-Anjou offered for registry and of all subsequent transfers of ownership of animals so registered. The herd books will be known as the "Black Maine-Anjou Registry" and will designate the ABMAA pureblood as 75% Maine-Anjou and 25% Angus or Brangus. Purebred bulls of this percentage when used in commercial herds will yield a three-eighths Maine-Anjou feeder calf.

Appropriations of \$100,000 in pre-paid registration fees have been made for the association's first year operating expense.

A multiple sire program and line-breeding identification are built into the association's rules and bylaws for the ease of breeding and identifying Black Maine-Anjou cattle — the new breed that is worth a premium.
